*Philip Dru: Administrator: a Story of Tomorrow, 1920-1935* is a futuristic political novel published anonymously in 1912 by Edward Mandell House, an American diplomat, politician and presidential foreign policy advisor. His book's hero leads the democratic western U.S. in a civil war against the plutocratic East, and becomes the dictator of America. Dru, as dictator, imposes a series of reforms that resemble the Bull Moose platform of 1912 and then vanishes. (Summary by wikipedia)
